

Thank you for your interest in advertising with MGZC Media Networks.

Our stations stream to millions of potential listeners world-wide via the Live365 network. Live365 has been in the internet radio business for more than 12 years. They are considered the originators of internet radio. The Live365 network is available via the web, iOS and Android devices (Live365 app), and various home streaming products including Sonos Player, Roku, WDTV, Grace Digital, Tangent Quattro, TiVo, Logitech Radio, Phillips Music Center and several other platforms.

To place an ad select a Slot Code and Station Code (see Slot and Station Code listing). Send an e-mail to adbuy@mgzcom.net with your ad as an mp3 attachment (128kbps stereo or better). Ad requests and related files must be sent at least 1 calendar week in advance of placement.

We will invoice you once your ad is cleared (content and sound quality) and placed in the selected slot.

We currently have available virtual weekday advertising slots (Monday through Friday) during the time periods mentioned below:

Slot Code	Name	Time Period
MD	Morning Drive	6am - 10am EST
MM	Mid Morning	10am - 3pm EST
AD	Afternoon Drive	3pm - 7pm EST
EV	Evening	7pm - 11pm EST
ON	Overnight	12am - 6am EST

Ads placed in specific slots are \$50 each and last for 5 weekdays (Monday through Friday) from the date they are placed in rotation. Your ad (maximum 30 seconds in length) will play during the selected slot multiple times during the weekday period, giving a multitude of listeners the opportunity to hear your message and/or pitch for your product or service.

The following stations have available slots.

Station Codes

Code	Station	Genres
BSGMR	B-Side Gourmet	Chill, Reggae & Jazz
SABOR	Sabor Latino	Latin, Latin Pop, Latin Jazz

Thank you for your interest. We look forward to your business.
